

03 Sept 2020

Quartz Technical Services Ltd,
Stokes Industrial Park,
Merrylees,
Nr Desford,
Leicestershire,
LE9 9FE.

To whom it may concern,

In regard to the Restriction of the Use of Certain Hazardous Substances (RoHS2) in Electrical and Electronic Equipment (EEE) Directive 2011/65/EU including amendment 2015/863 of the European Parliament and the Council from 31/03/2015, Quartz Technical Services Ltd confirms that all Printed Circuit Boards manufactured at our facility with a lead free hot air level finish are RoHS 2 compliant.

Kind Regards,

Neil Mousley

Operations Director,
Quartz technical Services Ltd,
