

VACANCY

A vacancy has arisen within our busy PCB Manufacturing Department for the following position:

PCB Operative

39 hours per week. Full-time / Permanent

Main Duties:

- Operation of Hot Air Levelling Machine;
- Processing of Boards through Etching and Tin Strip Machines;
- Processing of Boards through Image Exposure & Plating Department;
- Screen Printing of Boards through Resist & Legend;
- General Cleaning, Maintenance & Repair of Machinery;
- Adhere to Health & Safety Rules and Regulations;
- Any Other Duties that may arise to ensure the smooth running of the business.

Full training will be provided for the right candidate who will be bright, enthusiastic, bubbly, willing to learn new tasks and enjoy being part of a team. Good communication skills are required, with the ability to take instruction, work without supervision and perform to tight deadlines. High levels of accuracy and attention to detail are essential.

The Company Offers:

- 22 Days Holiday + Bank Holidays (increased to 25 days + Banks after successful completion of service);
- Relaxed and Friendly Working Environment;
- Staff Rest Area;
- Free Refreshments;
- Free Car Parking.

If you are interested in applying for this post, please either request an application form or submit your CV to the HR Department. Further information about the position can be obtained from Neil Mousley or the HR Department.
